*ActionPix is a leader in field of sports photography. We cover figure skating completions across Ontario*

*The ActionPix Team has spent years pioneering techniques and testing the latest professional image capture, networking technology, in a fast-paced sports environment. We use high-speed cameras to capture all the sequences of your skater's routine - some of which you may miss.*

*The ActionPix Team has the second best seat in the house. We are positioned near the Judges at the edge of the ice.  
From here we have a close and direct view of the routines.*

*Our photographers are talented. Our photos and videos capture your athlete's skills and the emotion of their performance. We record all action.*

**Snowflake Skate offer is available ONLINE until Thursday Jan 10th, 2019**
